

## Pray for Yourself & Your Community

- Pray that you would know God deeply through knowing His Word for yourself so you can contend for the faith, and remember that God's Word is truth and without contradictions.
- Pray for discernment from the Holy Spirit that the Lord shows you whether a teacher's actions match their words.
- Ask God for opportunities to speak of God's authority in your own life — His Word, and the authority He has put in place for us here on earth.
- Pray for a person or group that you can do Bible study with and encourage each other to live differently.
- Ask God to reveal if and how you can join in the battle for truth by partnering with Precept financially this year so we can engage more people in God's Word.
- Pray your church would be full of good teachers that love God's Word, live by it and speak faithfully about it.

## Pray for Precept Ministries Canada

- Ask God that He would continue to provide for the ministry in our goals to offer life-changing workshops free of charge.
- Pray for our first event in April as part of the new *Problem With Evil Conference Tour* we're bringing across Canada.
  - Pray many unbelievers would attend the conference to have this difficult question answered and that they would find the hope of the Gospel.
  - Pray for three more locations to host us.
- Pray that God would answer our prayer to have 2,500 people commit to giving \$100, or \$2 per week in 2024.
- Lift up those taking part in Precept online workshops this month: *Taste of PBSM and Rediscovering Discipleship*.
- Thank God for our faithful Precept Trainers who lead Precept workshops. Pray that they would lead by example and teach others to speak and align their words with God's Word.
- Thank God for the faith of each of the 7,000 active Precept Bible study students and their leaders across Canada. Pray that they would believe how vital it is to know God's Word for themselves.
- Pray for the new Unlocking the Truth Podcast series, *Hope Resurrected* on 1 Peter. Pray listeners would seek answers on how we can live with turmoil in this world and be filled with hope when suffering for the gospel.
- Pray for the website team as they continue to develop the new website to serve each person well.

- Pray for us as a ministry team (Precept staff and trainers) as we continue to make plans and serve the ministry God has given us — that we would daily commit them to the Lord and He would establish our steps.
- Thank God for our generous and cheerful givers, especially during tough financial times; pray that they would be blessed and that more faithful E-Team partners would be added to their number in 2024.
- Pray for a way to lower shipping costs and that it would not inhibit the growth of the ministry.
- Pray that God would continue to provide for ongoing upkeep of the Precept ministry building. Pray we can be mortgage free by Nov 2024 (Thrive Building Campaign).
- Pray for Markus & Esther Hauser as they serve Québec.
  - Praise God for the churches willing to host Precept events this year. Pray for more hosts in 2024.
  - Pray for the ongoing 13-week NISS Leadership Training (Galatians & Ephesians). Pray for the eager students who are also in this Bible study.
  - Pray for Samuel, a younger new leader, who is leading his first 40-Min Study online in April and May.

## Pray for our Nation, Canada

- Pray for Christian families to be fearless in living for the Gospel and shining God's light of truth in their communities through their words and actions.
- Pray for believers to take a firm stand for Truth, even when it is difficult.
- Pray for revival as Canadians to experience the power of knowing Jesus through studying Scripture using *Precept's Bible Study Method*.
- Pray that the government would seek to align themselves and their policies with God's Truth.
- Pray more and more people would be engaged in God's Word and living it out across Canada. Pray these actions would transform our nation through the power of the Holy Spirit.
- Pray that people would be moved to host Precept studies and workshops to reach their communities in 2024 across Canada.

Beloved, while I was making every effort to write you about our common salvation, I felt the necessity to write to you appealing that you contend earnestly for the faith which was once for all handed down to the saints. // *Jude 3*
